Vision Statement

Through the advocacy of TALAS
the trajectory for Latino leaders
and learners is positively impacted
and improved.
Leadership Development

TALAS will provide professional learning for current Latino and non-Latino leaders who are passionate about and committed to courageously leading, learning, and supporting others.
Leadership Development

TALAS will provide professional learning and mentoring opportunities for aspiring Latino and non-Latino leaders to grow in the leadership skills necessary to improve outcomes for Latino learners.
Questions and Answers

What new skill set is required for leadership in light of the virtual environments in our schools?

What one major obstacle did you overcome to address the professional learning for your leadership team?
